Under this activity several books were distributed among hundreds of readers. These books consist of extensive Marathi literature.

Since last 2 decades The Kusumagraj Pratishthan is actively working in the domain of expansion and enrichment of Marathi literature. This organization was founded by famous poet Mr. Vishnu Vaman Shirwadkar popularly known by his pen name, Kusumagraj. The concept was to provide the book bag with different books to a group of readers and later hand it over to another group so that each group will get new books to read. The activity was an instant hit and was lauded by readers. Every year numerous students and staff participate in this activity.
