We are thankful to the institute for sending your students for tree plantation at Khamble Forest Site near Ghoti Nashik every year.

This participation was on: **15th July 2015** on **23rd July 2016** and **3rd July 2017**.

This year also approx. 450 trees were planted by students of your institute.

I take this opportunity to thank each and every student, teacher, staff and your bus drivers and the individuals who were involved in accomplishing the activities with enthusiasm, full of energy, well discipline and by exemplary display of discipline.

We also invite all the students if they want to visit on site along with their parents to see further growth of sapling which they have planted.

My sincere appreciation and we are also obliged to get an opportunity to interact with such young citizen of our great country. Pl. also request the students to share their experience with Parents, neighbour friends and relative carry out this Green movement as a mass movement.
