Event: Donation of Ganesh Idol program at Anandvalli Lake organized by Department of Mechanical Engineering.

Agenda of event: To collect the Ganesh idol and save Godavari river from pollution.

Objectives:

Lord Ganapati is worshiped by Indians. In Maharashtra Ganesh Festival is more popular. As a part of the final ritual of Ganesh Chaturthi celebrations the clay and plaster of Paris idols of Ganesh along with flowers, banana leaves, Coconuts etc. referred as 'Nirmalaya' are immersed in the water body.

1. The objective is to convince the people to donate the Ganesh idol.
2. To preserve water and environment from getting polluted due to immersion of idols

Outcomes:

During this program student volunteers convinced people about how this Ganesh idol immersion is responsible for the pollution of river.

No of Volunteers Participated: 50

Summary of event

The Program was organized by Mechanical Department fifth time in association with Nasik Municipal Corporation on 15th Sept. 2016 at Godavari river , Anandvalli in Nasik. More than 800 Ganesh idols were donated by people for re-immersion Ganesh idols were donated by people for re-immersion
