

**Proceeding of**  
**Four Weeks**  
**“Women Entrepreneurship Development Program”**  
**8<sup>th</sup> March 2021 to 4<sup>th</sup> April 2021**

**Funded by**  
**Government of India**  
**Ministry of Science & Technology**  
**Department of Science and Technology**

**Organized by**  
**INNOVATIONS & ENTREPRENEURSHIP DEVELOPMENT CELL**  
**Sandip Foundation's**  
**Sandip Institute of Technology & Research Centre, Nashik**

**Objectives of Programme:**

- To promote female entrepreneurship by providing them the training skills and business development services.
- To consolidate the business projects for women and develop networks of entrepreneurs and business women as a key mechanism of economic revitalisation.
- To undergo capacity building training, mentoring and technical support customized to the needs of their business ideas.
- To impart training to the science & technology diploma, under graduates and post graduates holders in the essentials of conceiving, planning, initiating and launching an economic activity or an enterprise successfully.

**About Event:**

This initiative is designed to help women entrepreneurs to achieve higher levels of business growth and help make them more competitive and resilient in today's dynamic business environment. WEDP aims to empower budding and existing women entrepreneurs who want to start, run and grow their business and to create conducive conditions for inclusive, resilient and sustainable economies. The WEDP will provide inputs on the process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation training, and inputs on resource and knowledge industries.
