Conducted By: Members of Womens' Grievance Committee and Members of WIE

Name of the resource Person: Nil

Audience: Students.

Outcomes:

World Environment Day (WED) is celebrated on 5 June every year, and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. The theme for 2020 was "Time for Nature", and was hosted in Colombia in partnership with Germany. Environmental awareness is necessary as it recognizes the fragility of the situation. Environment awareness program on global warming and climate change is essential. As they damage the environment, awareness activities will educate people in different sectors.

WIE in association with the Department of Electronics and Telecommunication Engineering has organized a Quiz competition for students. More than 87 students participated this online activity.
